POT LUCK DINNER

The dinner was excellent! I am sure no one went home hungry. It was great to get together with everyone to get the year started.

The DEC informed us that the State of NY has decided to suspend the Marine Fishing License for two years. This will be replaced with a "registry". They expect to have the new no-fee registry in place in early June. In the interim, you may fish without a marine license and without registering with the DEC.

NEW WEBSITE

The new website is up and running. Take a look. Maybe you too can get your picture on it! The new Tournament schedule for 2011, and the new Fishing Rules are there and printable. Visit often for updates on all activities and news. By the way, the club VHF channel is 78.

2010 CLUB DVD

There are 12 copies of the club's DVD left. Don't forget to get yours at the next meeting. Make a donation.

NOMINATE & VOTE

At the May meeting we will have nominations and voting for Trustees for this year. It's an honor to serve, and we need your input. If you want a quality club you need to participate. Thank you to all that serve.

ANNUAL PICNIC

Mark your calendar. The date for this year's picnic is **Sunday, July 24th**. **You will hear more about this affair in the coming months.** I'll bet ya' all can't wait!
