GREAT JANUARY SPEAKER

Though the weather gods did
their best to try to prevent our
January meeting, we prevailed!
We give a big **THANK YOU** to
Ken Kraft for allowing us to use
the American Legion Hall since
the Community Center was not
available.

Capt. Rich Tenreiro (we finally
got the spelling right) made it
through the ice & snow to give us
a very entertaining & informative
presentation on bass and black-
fish. If you weren't able to make
the meeting, you missed out on a
great one. Remember, as a club
member you have a responsibil-
ity to participate in meetings. **We
look forward to your input
and smiling faces!**

2010 CLUB DVD

Tom Gsell did another great
job on the club DVD which we
all saw at the Annual Awards
Dinner. The tribute to **Marco**
was fitting and beautiful. I am
sure everyone will want a copy.

Tom hopes to have copies avail-
able at the March meeting. All
donations will go to the Ameri-
can Cancer Society in honor of
Marco.

NEW MEMBER

We are happy to announce new
member **Dominick Calderoni**
and his two sons **Frank &
Dominick, Jr.** **Welcome
Aboard!**

SPEAKER OF THE MONTH IN MARCH!

This month's speaker will be **Ed
Roth** who is a Certified USCG
Auxiliary Instructor and a NY
State Certified Instructor. He will
be talking to us about GPS, the
things it can do and more. How to
plot waypoints into a route, and
some of the things the new GPS
units have to offer.

Ed Roth advertises his classes in
the Huntington West Marine
store as "Everything you need to
know about GPS"

Boy! Am I sorry I'm going to miss
this one. Don't **YOU** be sorry
too!
