Though near shore, you're still in the ocean.

Malawian proverb

Man marks the earth with ruin — his control stops with the shore.

Lord Byron, 1818

AWARDS DINNER

I am running out of accolades to describe this event. The production staff has again, outdone themselves with a show that could compare with any High School play! Hey, seriously, a great time was had by all. I want to know who this "Karnac" guy is? I really like his tailor.

Every year **Tom Gsell** manages to produce a video that puts the whole year in perspective. I hope he saves me a copy! Great job Tom!

If anyone went home hungry, it was their own fault. **Pete Morris** did a terrific job on the food. To bad he was so busy he couldn't attend the whole event.

The raffle was great, and the "**Hanson Brothers**" were there again in force. It seems, there number grows every year!

And, let's give a round of applause to our Master of Ceremonies, **Ken Reisher**, for putting together the program, and doing a great job with the raffle.

As they say in show business; next year will be a bigger & better show.

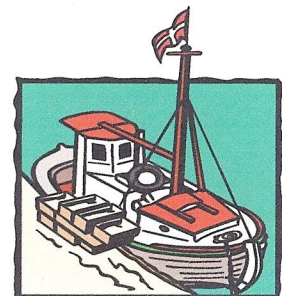

SPORTSMAN OF THE YEAR

I was able to get an interview with this years recipient — **Jerry Fitzmaurice**. I can't say how honored I feel to receive this award. Your kind words, and support over the years has been my guide. Thank you!

NEWSLETTER

Now it's time for me to pack my sleigh and head off to Florida! I will attempt to get out a Newsletter from there. See you in April at the Pot Luck dinner.
